

GEOGRAPHIC INFORMATION SYSTEMS Projects

A/A	Name of the Project	Sponsor	Project Start	Finish Date	Participation in the project
1	Comprehensive System of Protection against fires in the Greek-Albanian mountainous cross-border area	Prefecture of Kastoria	12/2008	31/12/2008	100%
2	Programming and development of a GIS for the prevention, monitoring and intervention against fires in forest areas of the Prefecture of Drama	Prefecture of Drama	30/09/08	31/05/09	100%
3	GIS applications of the Municipality of Kavala	Municipality of Kavala	12/11/2008	12/04/09	100%
4	Setting up and implementation of a complete protection system against fires of Mount Voras	Prefecture of Pella	11/12/2007	26/11/2008	100%
5	Development of the prevention and monitoring system for natural disasters related to fires in the Mount Olympus' forests	Forest Department of the Province of Pieria	3/2003	6/2005	partial
6	Planning Study for the management of fires in the Mount Varounda	Regional Development Agency of Florina	1/2004	4 /2004	100%
7	Computer System development for the management, protection and enhancement of Protis of Serres - Paggaios "PAGGAIO.SERRES.NET"	Municipality of Protis - Département de Sérres	19/12/2006	31/10/07	100%
8	Computer System development for the management, protection and enhancement of Mont Grammos - Grammos NET.	Municipality of Agia Triados (Dpt. Kastoria)	1/11/2007	1/11/2008	100%
9	Implementation of Environmental Protection GIS of the Prefecture of Kastoria	Prefecture of Kastoria	20/11/2007	17/10/08	100%
10	Study for the application and development of a database for mapping the physical and technological hazards in the region of Thessalia, under the European Project « Politeia »	Thessalia Region	25/2/2008	25/5/2008	100%
11	Development of the station system for information and service to the citizen.	Development Public Service of Komotini Sponsor: PRISMA ILEKTRONIKA ABEE	15/4/2005	31/12/2005	100%
12	Creation of a Web site to present and promote points of interest in the Central Macedonia Region using digital maps	Regional Development Bureau of Central Macedonia Region	15/4/2005	30/6/2005	100%
13	Implementation of Internet database of sites in the town (POI)	Municipal Development Agency of Komotini	23/3/2004	31/12/2006	100%
14	Organization of a database for monitoring and surveillance of data about flood levels and ground water levels in the development projects in Thessalia	Regional Development Bureau of Thessalia Region	12/6/2003	10'2005	100%
15	Scanning, digitisation, control of structures related to home-buildings. High pressure Network	Public organism for Air distribution (DEPA) A.E.	2003	2004	100%
16	Planning and Development of a GIS for the Prefecture of Viotia	Development and Protection Agency ELIKONA A.E.	5/10/2001	31/10/2001	100%
17	Assembly plan of collection of household refuse by medical waste vehicles	J & P AVAX A.E.	26/1/2004	16/2/2004	100%
18	Supply of a computer system for the monitoring and management of vehicles of the municipality of Aspropyrgos. Prefecture of Attica	Municipality of Aspropyrgos. Department of Attique	30/4/2004	30/7/2004	100%
19	Supply and setup of an automatic system of monitoring and management of the fleet of Kozan	Municipality of Kozan	31/12/2003	4 ^{ος} 2004	100%
20	Software supply for the management of technical applications	Municipality of Kallikrateia	11 /2002	12 /2002	100%
21	Study and proposal to set up a GIS in the Municipality of Serres	Municipality of Serres	10/7/2002
